

ENGINE OVERVIEW

The ISB02 Cummins is used in many applications including step vans, uniform delivery trucks, yard tractors, Ford F650/F750 and commercial delivery vehicles. Reviva has recently added this product offering for CPLs 8135 and 8136 model years 2002-2006.

Reviva utilizes torque plating methods for boring and honing to ensure block straightness, which reduces break-in time and crankcase pressure. In addition, Reviva uses OEM or equivalent pistons, rings, bearings, valves and gaskets, making sure that this engine will stand the test of time.

All Reviva engines are assembled in the USA.

TO PLACE AN ORDER

Before calling to request price and availability, please gather the following information:

- The original engine serial number
- The original engine CPL number

The CPL and serial numbers are located on the valve cover. The serial number is stamped on the cylinder block above the oil cooler assembly.

DYNAMOMETER TESTING

All of Reviva's Complete Drop-In engines are 100% dyno tested prior to shipment. Computer controls ensure that each engine dyno test is conducted under standard, repeatable settings. Every engine is run through a warm up cycle; three separate cruise segments simulating light, medium and heavy throttle conditions; maximum torque and horsepower tests; both high and low idle tests; and a black light leak detection test with dyed oil, coolant and fuel.

ISB02 Complete Drop-In

LONG BLOCK SUPREME INCLUDES:

- Block
- Rods
- Crank gear
- Piston assemblies
- Head
- Flywheel housing & seal
- Oil filter assembly
- Water pump
- Valve train (lifters, pushrods & rocker arms)
- Crankshaft
- Oil pump
- Cam gear
- Camshaft
- Front gear cover
- Oil cooler
- Gasket set

COMPLETE DROP-IN INCLUDES:

all parts on the Long Block Supreme plus

- Lift pump
- Low & high pressure lines
- Fuel filter *
- Turbocharger
- Intake cover & connection
- Oil pan
- Gear cover & seal
- *shipped loose
- Injection pump
- Injectors
- Damper pulley
- Thermostat
- Exhaust manifold
- Oil pickup tube
- Sensors & switches

Cummins 6ISB Applications

Walk-In Van

Bus

Yard Tractor

Conventional Cab

Warranty Coverage

On-Road Complete Drop-In configurations: 2yr/unlimited mileage. 2nd year long block coverage only.
Transit applications 1 year. Off-Road Complete Drop-In configurations: 1yr/2,000 hours.
Long Blocks (all): 1 year.

Some restrictions apply, see limited warranty details or call for more information.
