- Oil filter
- Valve train (lifters, push rods & rocker arms)
- Crankshaft
- Crank gear
- Oil pump
- Cam gear
- Camshaft
- Front gear housing
- Oil cooler
- Gasket set
- Valve cover
- Water filter
- Fuel Filter
- Idler gears

LONG BLOCK SUPREME INCLUDES:

ALL PARTS ON THE LONG BLOCK PLUS

- Injectors

APPLICATIONS

Reviva provides a Long Block and Long Block Supreme for the ISX CM2250/EPA10

ISX

Year Models: 2010-2012

Power Cylinder Update:

Reviva incorporates a carbon scraper ring, or commonly known as an anti-polishing ring, for better engine performance. The cylinder liner has an additional steel ring that is inserted on the counter bore of the cylinder liner. This scrapes the carbon from the sides of the piston which aids in reducing carbon polishing on the cylinder walls. These improvements are designed to decrease oil consumption, lower oil filter contaminants and reduce DPF regeneration.

All Reviva engines are assembled in the USA.

To ensure our engines will stand the test of time, Reviva uses OEM or equivalent pistons, rings, bearings, valves and gaskets.

TO PLACE AN ORDER

Before calling to request price and availability, please gather the following information:

- The original engine serial number
- The original engine CPL number

The CPL and serial numbers for the ISX are located on the valve cover.

WARRANTY COVERAGE

Long Block configurations: 1 year/unlimited mileage.

Some restrictions apply; see limited warranty details or call for more information.
